## Evaluation Report for 2023/2024 DLG-fund (Other Program - Gifted Education)

| Domain & Program                                                             | Objective                                                                   | Targets (No./level/selection)                                                                                                                                                     | Duration               | Deliverables                                              | Evaluation                                                                                                                                                                                                                                                                                                                                                                                           | Actual expenditure |
|------------------------------------------------------------------------------|-----------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------|-----------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|
| <b>Economics</b><br><i>Elite programmes offered by tertiary institutions</i> | To enhance Business or Economics students' learning exposure and networking | <ul style="list-style-type: none"> <li>5-10 students from S4 to S5</li> <li>Nominated by the Economics Department with specific criteria</li> </ul>                               | Sept 2023 to Aug 2024  | Completion of relevant programmes                         | Two elite students attended business-related university programs at HKU and Poly U with the sponsorship from the department. Their exposure to business issues and networking has been expanded through the programs.                                                                                                                                                                                | HKD 1,713          |
| <b>English</b><br><i>Debate Training Program</i>                             | To enhance students' debate skills                                          | <ul style="list-style-type: none"> <li>10 students from S4 to S5 who are enrolled in Debate Team</li> </ul>                                                                       | Sept 2023 to July 2024 | Debate Training Program covering various debating skills. | Participating students were able to sharpen their debating speech through regular meeting, training, coaching and competitions. Students gain more knowledge how to research a topic and go beyond what a debate is. During the process, they learn more about collaboration and delivery skills.                                                                                                    | HKD 1,612          |
| <b>Literature in English</b><br><i>Author's talk and literature outings</i>  | To expand the students' horizons on creative writing and literature         | <ul style="list-style-type: none"> <li>10-15 students from S4 to S5 Literature class</li> <li>Nominated by the Literature in English Department with specific criteria</li> </ul> | Sept 2023 to July 2024 | Attendance of author's talk and literature outings        | Students went to the theatre to watch a Chinese adaptation of Shakespeare's Twelfth Night performed by Chung Ying Theatre Company, and attended an author's talk by Hong Kong science-fiction and detective fiction writer Mr Albert Tam. Students were able to expand their horizon by exploring the similarities and differences between the culture & literature from both the east and the west. | HKD 4,828          |

|                                                        |                                                                             |                                                                                                                                         |                        |                                                         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |                 |
|--------------------------------------------------------|-----------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|------------------------|---------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------|
| <b>Biology</b><br><i>Biology Research Team</i>         | To equip students into advanced scientific projects and techniques for iGEM | <ul style="list-style-type: none"> <li>20 S4-S5 students</li> <li>Nominated by the Biology Department with specific criteria</li> </ul> | Sept 2023 to Aug 2024  | Carrying out a project to participate in iGEM 2024.     | A total of 14 S.4-5 science students actively engaged and collaborated in the project, through which they gained valuable research skills, data collection and presentation techniques, as well as essential knowledge and advanced skills in biotechnology. Additionally, the core members took on the role of student tutors, facilitating the learning of their fellow students in the BRT. The team has demonstrated strong engagement, skill development, and outreach efforts, positioning them well for their participation in the 2024 iGEM competition. | HKD \$66,570.10 |
| <b>Music</b><br><i>Music Network DSE Music program</i> | Increase subject choice diversity                                           | <ul style="list-style-type: none"> <li>Sponsoring 2 students to join network DSE music program</li> <li>S.4: 1, S.5: 1</li> </ul>       | Sept 2023 to July 2024 | Work showing confidence towards handling DSE Music exam | The program is effective in equipping students with the skills and knowledge necessary for the DSE Music exam.                                                                                                                                                                                                                                                                                                                                                                                                                                                   | HKD 17,600      |
| Total expenditure:                                     |                                                                             |                                                                                                                                         |                        |                                                         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | HKD92,323.10*   |

*School\$/Plan\_Evaluation/DLG/Evaluation/Annual\_DLG\_2023-2024\_Evaluation.docx*

\*Note:

Total actual expenditure for Year 2023/2024 is \$92,323.10 which includes the planned expenditure of \$78,000 and additional expenditure of \$14,323.10. The additional expenditure can be covered by the surplus brought forward from the previous year.
