Part 1: Details of Exchange Activities

	Content of exchange activity	Objectives	Evaluation / Results	Remarks/Reflection/Follow-up
1	Management and Teachers' exchange	✧ Building ties between one another's management and subject teachers ✧ Management exchange between the two schools ✧ Pedagogical exchange between the two schools	✧ 8 teachers at YSESFS planned to visit us on November 6, 2023. Yet, on November 1, 2023, we received the apology letter from the Principal that such a school visit could not be approved by the Education Bureau in China. Finally, their visit had to be cancelled.	From our side, we tried our best to make the professional exchange between the two schools happen, including arranging the lesson observation and feedback sessions and the professional exchange lunch. We hope that the sister school can get the government approval of the visit before we organize such an event.
2	Hiring and deployment of staff in support of the coordination and administration of the exchange program	✧ Provision of manpower in support of the administration of the exchange program	✧ Assistant Principal (LKY) is held responsible for staff supervision ✧ PTH Panel Head (WMP) is held responsible for coordination ✧ Assistant Social Service Coordinator (YSW) is held responsible for administrative matters	Miss Yan is a very helpful manpower to cover the administrative and communication work, especially when the face-to-face trip to Yangshuo could be organized.
3	Grade 8-9 students' exchange	✧ Building of buddy relationship between Grade 8-9 students of the 2 schools ✧ Learning of Mainland school life and cultural exchange for UCCKE students	✧ A face-to-face post-exam trip to YSESFS was organized on July 3-6, 2023 (the previous academic year). This year, however, such a visit could not be organized as we could not come up with a possible period for	It is hard to come up with a good time for both schools to enjoy the exchange opportunity. Even if our students can visit them during the Easter holidays, our sister school is having the Ching Ming holidays this year and lessons at school are not possible. Finally, we were not able to compromise a time to visit the sister school, not to mention the fact that our post-exam clashes with their national

			exchange.	exam which makes the school visit impossible. We hope to arrange another good time to meet in the coming academic year.
